About Me

Motivated and detail-oriented Software Developer with hands-on experience building responsive and scalable web applications using React.js, Next.js, Node.js, Express.js, and MongoDB. Strong foundation in Data Structures, Algorithms, Object-Oriented Programming, REST APIs, and full-stack development. Passionate about solving real-world problems through clean code, efficient system design, and modern technologies.

Education

Madhav Institute of Technology and Science
B.Tech in Electronics and Telecommunications Gwalior,
Madhya Pradesh
CGPA: 7.5 / 10

2022 – 2026

Technical Skills

- **Languages:** JavaScript, TypeScript, Python, C++, HTML5, CSS3, SQL
- **Libraries / Frameworks:** React.js, Next.js, Node.js, Express.js, Redux Toolkit, Tailwind CSS
- **Databases:** MongoDB, MySQL
- **Developer Tools:** Git, GitHub, VS Code, Docker, Vercel
- **Concepts:** Data Structures and Algorithms, OOPs, REST APIs, Authentication (JWT), CRUD Operations, System Design, API Integration

Projects

- Real-Time Chat Application** React.js, Node.js, MongoDB, Socket.io
- Built a real-time messaging platform using Socket.io for instant bidirectional communication supporting concurrent users.
 - Implemented secure JWT authentication and authorization for protected user sessions.
 - Optimized frontend responsiveness and improved message delivery performance.
- ServiceTrack – Vehicle Service Management System** Next.js, MongoDB, JWT
- Developed a full-stack application to manage vehicle service records and maintenance workflows.
 - Created RESTful APIs for managing users, services, and vehicle history with scalable backend architecture.
 - Designed MongoDB schemas and integrated secure CRUD operations for admin and users.
- Personal Portfolio Website** Next.js, Tailwind CSS, Nodemailer
- Developed and deployed a responsive portfolio website with SEO optimization and dynamic routing.
 - Integrated contact functionality using Nodemailer and improved accessibility across devices.

Certifications

- [Data Analytics Job Simulation – Deloitte](#)
